

THE DAILY BULLETIN. THURSDAY EVE., AUGUST 9, 1883.

ROSSER & McCARTHEY, Publishers and Proprietors. TO WHOM ADDRESS ALL COMMUNICATIONS.

The streets are packed and jammed to-day, And all because, you know, The high, the low, the rich and poor Are bound to see the show. They want to see the elephant, The riders and the clown, And wisely want to do it while O'Brien is in town.

THOMAS HIGGINS, infant son of James Higgins of this county, died Wednesday of cholera infantum.

MAYSVILLE'S street cars are among "the things that were."—Louisville Post. Big mistake, Mr. Post. They are among the things that are to be.

Misses Kate Kane and Maggie Swift, of this city, left yesterday on the train, for a visit to friends and relatives in the rural districts.

THE Vanceburg, Manchester and Maysville Packet Company will hold its first meeting on the first day of next September. The original intention was to hold the meeting November 1st.

MR. THOMAS KERR, of Jersey Ridge, asks the BULLETIN to say that he has a lot of hogs he wishes to winter in Maysville, and will make favorable terms with any citizen who will agree to take them. They are all healthy and good breeders.

O'Brien's Show. O'Brien's Circus and Menagerie arrived at this place this morning from Carlisle, and will exhibit here this afternoon and evening. Of course "every one with his sisters and his cousins and his uncles and his aunts will attend."

A DANCE was given at Mr. Larry Nicholson's residence, below this city, last night in honor of Miss B. Nicholson, who has just returned from a visit to Richmond, Va. The affair was a pleasant one, many friends of the parties being present.

THROUGH the generosity of the proprietor of the grain houses of Maysville, we are able to announce that the city hogs will be fed in front of the BULLETIN office every afternoon at four o'clock, commencing to-morrow. One of the best hog "callers" in the county will sound the assembly. The city council are invited to be present to see that none of their pets are slighted.

Sudden Death.

Peoria (Ill.) Transcript, of 6th inst. Thomas N. Ayers died very suddenly yesterday morning at his residence, 677 Lavellie street. He had arisen and put on a dressing gown, apparently as well as ever. When one of the members of the family went to the room where he was, to announce breakfast, he was dead.

Mr. Ayers was at one time a citizen of this place, and has many friends here who will regret to hear of his death.

Killed.

A difficulty occurred at Camp Creek, Bracken county, last Monday afternoon, news of which have just been received. A party named Patterson got into a dispute on some point with two brothers named Kabler. From words they got to blows, when one of the Kablers drew a revolver and fired at Patterson inflicting a wound from which he has since died.

MR. A. SHAEFFER, who has lately put up a number of water motors in this city, operating elevators and other machinery, is prepared to furnish a small motor which is made expressly for running sewing machines. It costs about \$18, and can be run a year at an expense for water of about \$3. Ladies when they have once used this power would not do without it for ten times its cost.

A SQUAD of thirteen hogs rounded the corner of Market and Second streets, Wednesday afternoon, about two o'clock, and moved down in a body towards this office. A friend, on seeing the approach of the enemy, kindly rushed in and gave the alarm. It proved to be a false one, however, as the squad moved slowly on down second Street, taking everything as they went, and attracting the attention of some of our city councilmen. If any more demonstrations of this sort are made we will be compelled to ask for protection.

The Home Guardian.

MR. H. Baumgarten, of Cincinnati, O., is in town organizing a division of the Home Guardian. The plan of this society is the same that has been so successfully operated in London since 1828. There are no assessments, no lodge dues and no regalia or paraphernalia required to carry on the order. A member can insure for from \$500 to \$3,000. Besides, by a small quarterly deposit, secure weekly benefits, in case of sickness, of from \$3 to \$25. The plan should be examined by those desiring to connect themselves with an organization that for safety and security, has no superior. There are upwards of thirty divisions of the order in Kentucky.

Camp Meeting.

Park's Hill Camp Ground, Aug. 9. About one thousand or twelve hundred persons were present on yesterday morning at the Love Feast meeting. By far the largest meeting of this character held yet. It was led by Rev. W. T. Benton. But the press came again at the eleven o'clock meeting, when Dr. Talmage preached to a densely packed auditory. The avenues around to auditorium contained hundreds standing thickly together during the delivery of the sermon. As on the day before the Doctor arose and requested the congregation to sing, "Praise God from whom all blessings flow." He then read 2nd Kings, 5th chapter 1st and 14th verses, which referred to the healing of Naaman, the Syrian. Text: Mark 12th and part of the 34th verse: "Thou art not far from the Kingdom of God." He said this was a grand world, but a poor portion for an immortal soul. All its wealth could not satisfy the souls longing for immortality. If you have found out that the world is a cheat, I congratulate you—you are not far from the Kingdom of God. Don't be dissatisfied with being almost a Christian. Some of you are so near the Kingdom, that if you do not enter now, you never will. This is now your chance. At the close six persons signified their intention to consecrate themselves to the service of the Lord, by rising up. The Doctor left this evening.

Dr. West preached at three o'clock p. m. from Matthew 16th and 18th: "And I say unto thee that thou art Peter, and upon this rock will I build my Church." The preacher assumed that there never had been but one Church of God in the world; and that every true believer was a member of this church, regardless of denominational name; and that this idea forbids the idea of any particular set of men claiming to be "the church." He said it was a myth. The history of the church is one of battles fought, victories won, and triumphs over sin. This work will go on until this kingdom covers the earth.

At night Rev. J. S. Sims preached from the 51st Psalm, 1-12 verses. "This," said the speaker, "was a prayer of David. The Bible was eminently a prayer book. The Master himself prayed much. David was conspicuous in this prayer. His confession was full and complete. His sin was great, but he wanted God's love in his heart again."

We notice other arrivals as follows: Rev. F. S. Pollitt, Rev. Julius Wright, and Rev. J. M. Carter, D. D.

The cottage of Mr. J. L. Given took fire yesterday morning, but was soon extinguished.

FOREIGN.

Cote-wayo Said to Be Alive—Meeting of the Emperors.

ZULULAND.

LONDON, Aug. 8.—The death of Cote-wayo is denied and the slaughter to which his forces were subjected is said to have been greatly exaggerated. His defeat is unquestioned, but the information officially received here leads to the belief that he has found a refuge in the northern limits of the Colonial Government of Natal. There can be little doubt of his safety when his staunchest friends, Dr. Colenso, telegraphed that the King is alive, and in his behalf demands an inquiry into the threatment he has received since he has returned to his people by the British Government. The dispatch is dated from Pietermaritzburg, and is regarded as authoritative, the Colonos having always taken a great interest in Cote-wayo and the semi-civilized tribes at whose head he was.

LONDON, Aug. 8.—The British agent at Pietermaritzburg, believes that King Cote-wayo is still alive, and that the report of his death was put in circulation for the purpose of continuing the agitation in Zululand.

AUSTRIA.

ISCHL, Aug. 8.—The Emperors of Germany and Austria arrived here at noon. The former was met by the latter at Ebensee, where very cordial greetings were exchanged.

MADAGASCAR.

LONDON, Aug. 8.—Rev. Mr. Robinson, a well known missionary, has given to the Government information which shows that the French are greatly outnumbered at Tamatave, and are anxiously awaiting reinforcements, which have been promised, before continuing their operations.

SWITZERLAND.

GENEVA, Aug. 8.—The Swiss Federal Council has issued an edict prohibiting the importation of Italian clothing for sanitary reasons, and also the passage through the custom houses of cotton or cotton goods from Egyptian or other eastern ports.

At Los Palmas, Mexico, the present termination of the San Luis & Tampico Railroad, there was a row between American and Mexican laborers, in which seven men were killed and eight or ten wounded, three fatally.

Rev. Father Wilds' EXPERIENCE.

The Rev. Z. P. Wilds, well-known city missionary in New York, and brother of the late eminent Judge Wilds, of the Massachusetts Supreme Court, writes as follows: "78 E. 54th St., New York, May 16, 1882. MESSRS. J. C. AYER & CO., Gentlemen: Last winter I was troubled with a most uncomfortable itching humor affecting more especially my limbs, which itched so intolerably at night, and burned so intensely, that I could scarcely bear any clothing over them. I was also a sufferer from a severe catarrh and catarrh of the nose, my appetite was poor, and my system a good deal run down. Knowing the value of AYER'S SARSAPARILLA, by observation of many other cases, and from personal use in former years, I began taking it for the above-named disorders. My appetite improved almost from the first dose. After a short time the fever and itching were allayed, and all signs of irritation of the skin disappeared. My catarrh and cough were also cured, and the same means, and my general health greatly improved, until it is now excellent. I feel a hundred per cent stronger, and I attribute these results to the use of the SARSAPARILLA, which I recommend with all confidence as the best blood medicine ever devised. I took it in small doses three times a day, and used, in all, less than two bottles. I place these facts at your service, hoping their publication may do good. Yours respectfully, Z. P. WILDS."

The above instance is but one of the many constantly coming to our notice, which prove the perfect adaptability of AYER'S SARSAPARILLA to the cure of all diseases arising from impure or impoverished blood, and a weakened vitality.

Ayer's Sarsaparilla

cleanses, enriches, and strengthens the blood, stimulates the action of the stomach and bowels, and thereby enables the system to resist and overcome the attacks of all Scrofulous Diseases, Eruptions of the Skin, Rheumatism, Catarrh, General Debility, and all disorders resulting from poor or corrupted blood and a low state of the system.
